

# Societies Network Chairs (x7)

## What does the Societies Network do?

The Societies Network represents all society members. They do this by working with the Activities and Development Officer to develop societies at LSESU as a whole. They work closely with society presidents and exec committee members to support their events and represent their views. Each member represents a specific society network:

- Academic;
- Arts and Performance;
- Activity and Special Interest;
- Careers;
- Charity, Political and Campaigning;
- Faith;
- National and Cultural

These chairs form the Societies Executive Committee.
