About Us

At the heart of the LSE Campus in Holborn, Central London, LSESU is based in the state of the art Saw Swee Hock building where we have our offices, student bar and venue, café, gym, and student media centre.

Part business, part charity, part membership body – students' unions are seriously fun places to work! We are an organisation in our own right, and are professionally run with a bit of a twist.

Made up of both career and student staff, professional teams support elected student leaders to make change, improve lives and fulfil potential; we help to make it happen.

LSESU is led by elected Officers:

- 4 full-time paid Sabbatical Officers
- 1 part-time paid Sabbatical Officer
- 12 voluntary Part-Time Officers

Our primary services include:

- Student Voice - supporting our students with representation, campaigning, policy change and elections
- Student Communities - supporting over 250+ clubs and societies and managing the Gym
- Social - running our Union events, student bar (Three Tuns) and our cafe
- Student Advice - providing free, independent and confidential advice to our student membership

Not-For-Profit

All proceeds from sales in our outlets or partner marketing activity go directly back into putting on amazing events, activities, and support for students – so, by using our services, everyone contributes to the LSE student experience and help us to reinvest into the things we do for our members.

Our Vision

To create a community at LSE which is at the heart of student life.

Our Mission

Working together, for, and with our members, we will make their time at LSE an empowering and enjoyable experience.

Our Strategic Priorities

Together with students, we will:

- Push the advancement of education ensuring that it is accessible, holistic, and reflective of the diverse community at LSE.
- Develop a supportive environment which enables students to succeed.
- Where these services generate an income, this will be re-invested into those services which are free to access by our students.
- Be a Union which listens and acts ensuring that we are a positive agent for change in our School and communities.
- Develop a strong sense of community beyond the classroom, which are filled with opportunities that are fun and enjoyable.
